1. The Author(s) retain the copyright of the research article and grant the Publisher (Avenew Indonesia) the non-exclusive right of first publication. Simultaneously, the Work is permanently licensed under a Creative Commons Attribution 4.0 International (CC BY 4.0) License, which permits anyone to share, copy, and adapt the material for any purpose, even commercially, provided the original work is properly cited.
2. The Author(s) retain all proprietary rights other than copyright, such as:
    a. The right to be identified as the creator/author of the published article whenever and wherever it is shared.
    b. Patent and trademark rights related to any specific product, process, or technology detailed within the article.
    c. The right to reuse, self-archive, or distribute the article partly or wholly in any forum, repository, or website without restrictions.

3. The Author(s) assure that the research article is an original piece of work, has not been previously published elsewhere, and is not currently under peer review by another publication.
4. The Author(s) guarantee that all necessary permissions have been obtained to reuse any third-party copyrighted material (such as text, data, images, or figures) sourced from other platforms or publications.
5. The Author(s) confirm that the research article does not violate any existing copyright or proprietary rights of others, does not invade privacy, and contains no defamatory statements. The Author(s) agree to indemnify the journal and the publisher from any legal claims or expenses arising due to a breach of these guarantees.

I confirm that I have read and agree to comply with the Journal's policies on publishing ethics. Especially, I warrant that this Article is not being considered for publication elsewhere. In case of double submission, I am responsible for the misconduct.
